Submission Title: Coming Back to the Original Point of Mathematics Learning: Redesigning Reading Activities to Enhance Secondary Students' Mathematics Learning Power

Authors: Ying-Hao Cheng

Dear Dr. Cheng,

On behalf of the IAFOR local organizing committee and the ACE 2014 conference chairs, Professor Sue Jackson and Professor Michiko Nakano, I am pleased to inform you that your proposal, "Coming Back to the Original Point of Mathematics Learning: Redesigning Reading Activities to Enhance Secondary Students' Mathematics Learning Power", has met the accepted international academic standard of blind peer review, and has been accepted for Oral Presentation at ACE 2014 and the opportunity for your full paper to be published in the official conference proceedings.

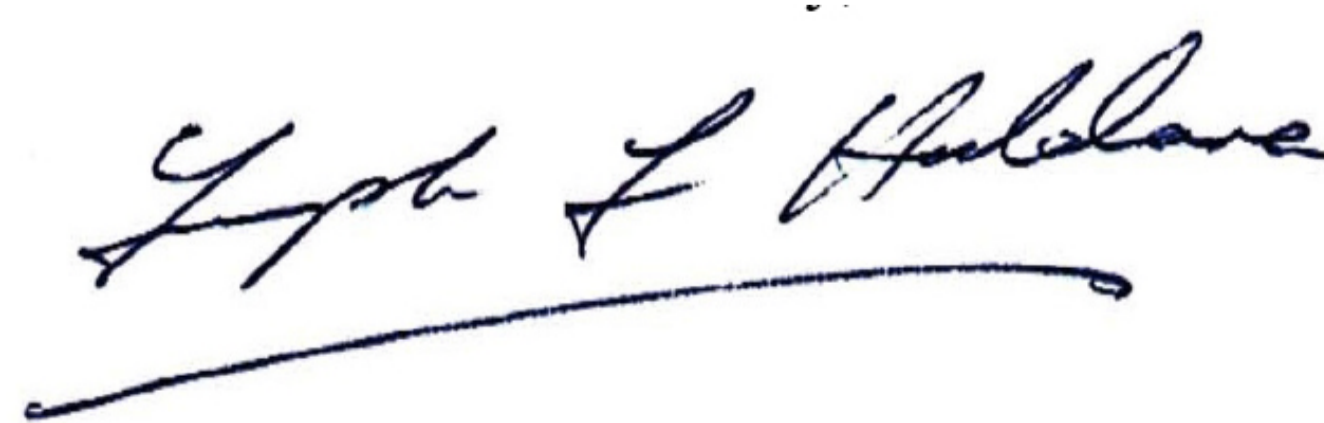

The conference will be held in Osaka, Japan, at The Rihga Royal Hotel & The Osaka International Convention Center from the evening of Tuesday, October 28 through Sunday, November 2, 2014. The keynote and plenary session will be on Wednesday morning and parallel panel sessions begin Wednesday afternoon and run for the duration of the conference. Most panels run for 90 minutes, with three presenters per panel, so each presenter has 30 minutes total for presentation and Q&A. For more detailed information about the conference and accommodation, please visit the conference website.

If you cannot present for any reason, please notify the conference administration team at ace@iafor.org. If there is a day that you are unable to present, please contact the administration team at the time of registration. Not everyone can be accommodated with preferential dates and time, so please limit any request of this nature to unavoidable situations.

A PDF of the full Conference Programme will be uploaded on the ACE 2014 website by 10/10/2014. Please check the programme at that time to make sure all information pertaining to you is included and correct.

Thank you for participating in The Sixth Asian Conference on Education 2014. All of us affiliated with the organization aim to make this conference a success.

Yours Sincerely,

Joseph Haldane, Ph.D. (London), F.R.A.S.
Executive Director, IAFOR
